## ♦ Mission Statement ♦

Our fairground provides a safe place for families to create lasting memories and new traditions. We preserve and showcase the rich history, heritage and innovations upon which our communities were built.

March 20, 2020

Tulelake, CA – For the health and safety of our community, the Tulelake Butte Valley Fair Board and Staff are following the recommendations of the CDC and State Government by postponing or cancelling all interim events now through May 10<sup>th</sup> due to the COVID-19 virus.

At this point events scheduled after May 10<sup>th</sup> will go on as scheduled unless the CDC makes changes to their recommendations in the coming weeks. As you know this is an ever-changing situation that the fairgrounds staff is watching very closely. If there are any updates or changes to activities on the fairgrounds we will let you know as soon as possible.

The Livestock Quality Assurance class that was scheduled for Tuesday, March 24<sup>th</sup> has been cancelled. California Department of Food and Agriculture and the county 4-H offices recommend that all livestock show exhibitors take the Quality Assurance class online at [www.yqca.org](http://www.yqca.org). If there are any of our fair exhibitors that need help with this, please contact the fair office.

A few of the upcoming events, open to the public that are still planning to go on as scheduled:

**Friends of the NRA banquet – May 22**

**Art of Survival of the Century Ride – May 23 & 24**

**Stateline Spectacular Jackpot Show – June 20**

Planning for the 2020 Tulelake-Butte Valley Fair is in full swing! The Tulelake-Butte Valley Fair Board and Staff are looking forward to another great fair, September 10-13, 2020, where we will celebrate our theme “Country Roads Bring You Home”.
