- This schedule lays out the order of classes; actual times may vary.
- Grading classes will be held outside in the grass area or in an open-air building.
- The auction will be held outside in the grass area or in an open-air building
- Bred heifers are to be removed by the buyer at the conclusion of the auction.

- **Bred heifers will be preg checked by a veterinarian prior to arriving on the fairgrounds. Only heifers with positive preg tests will be allowed to be evaluated and sold. The heifer owner must provide proof that the heifer is pregnant prior to Tuesday, September 8th, 2020**
- **Exhibitors will make sure their market animal has food and water prior to leaving the grounds on Saturday night. Animal caretakers will make sure the animals are fed Sunday morning; processors will be in Sunday afternoon to pick the animals up for processing**
