### **2020 Tulelake-Butte Valley Fair Youth Market Livestock Evaluation and Tulelake Rotary Youth Livestock Auction**

Tulelake, CA – In lieu of the 69<sup>th</sup> Annual Tulelake-Butte Valley Fair, the Fair Board and Staff, the Tulelake Rotary Club and dedicated community members came together to host a successful Youth Livestock Evaluation and Auction on Saturday, September 12<sup>th</sup> & Sunday, September 13<sup>th</sup>, 2020.

This year's evaluation and auction allowed 4-H, FFA and Independent Market Exhibitors to show and sell their livestock projects in-person while allowing community members the opportunity to participate in this important, time-honored tradition. The evaluation and auction provided a safe setting for all participants, through the adherence to a multi-point plan approved by county and state health officials.

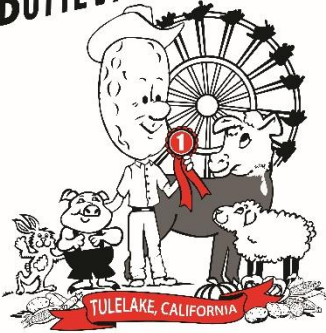

A total of 74 high-quality livestock projects were each sold to the highest bidder on Sunday afternoon. A multitude of purchasing and price support options, including a live-stream auction provided by DV Auctions, allowed buyers and spectators to participate in-person and from afar. In spite of challenges presented by the COVID-19 pandemic, an unstable water year and a difficult economic environment, the contributions made by our communities exceeded the 2019 auction total by over \$30,000.00!

A traditional awards ceremony was held on Sunday morning to recognize the accomplishments and hard work of this year's market exhibitors. The Tulelake-Butte Valley Fair Board would like to thank all of the generous sponsors for making it possible to present traditional buckles, ribbons, banners and other awards.

The Tulelake-Butte Valley Fair Board & Staff and Tulelake Rotary Club are tremendously grateful for the leaders, parents, community members, exhibitors, volunteers and businesses that came together to make this unprecedented event a resounding success.

For more information contact the fair office at (530) 667-5312 or [nancy@tbvfair.com](mailto:nancy@tbvfair.com).
