◆ Mission Statement ◆

Our fairground provides a safe place for families to create lasting memories and new traditions. We preserve and showcase the rich history, heritage and innovations upon which our communities were built.

For Immediate Release July, 8th, 2021 - Tulelake, CA. –

The Tulelake Butte Valley Fair Board and Staff are very excited to be moving forward with plans for the 70th annual Tulelake-Butte Valley Fair! The annual celebration will be held Thursday, September 9 through Sunday, September 12, 2021 at the Tulelake Butte Valley Fairgrounds in Tulelake, CA. In 2021 we will celebrate the theme “Country Roads Bring You Home”.

The Fair Staff is currently working with its vendors and entertainers to establish safety and health protocols in compliance with state and county public health departments for 2021. There will be plenty of hand washing and hand sanitizer stations as a reminder to lessen the opportunities to spread germs by touching and re-touching surfaces as well as increased cleaning services throughout the fairgrounds.

The 2021 Fair will feature many of the traditional family friendly fair activities. Paul Maurer Shows will again provide a great variety of carnival rides for all ages. The pre-sale one-day unlimited ride wristband will be available for \$25 and the four-day unlimited ride wristband will be \$70 beginning in August and going through September 8th. Of course, we will also be welcoming back many returning and new food and commercial vendors in 2021.

We invite everyone to enter your projects in our Home Ec., Photography, Arts and Crafts and Floral Departments. That entry information will be available on our website at www.tbvfair.com around July 15th and entries will be due in to the fair office on Monday, August 23rd, 2021. There is a category for almost everything and we would love to see the projects that you have been working so hard on!

A few of the traditional events that will continue in 2021 are: The annual Farmer and Rancher of the year dinner and replacement heifer sale. As well as the gymkhana horse show/playday in the arena on Thursday, September 9th. The Tulelake Rotary Livestock Auction will be held on Sunday, September 12th at 4:00pm in Jock’s Sale Pavilion.

We are looking forward to welcoming back some great family entertainment throughout the grounds and in the grandstand. On Friday, September 10 we will welcome the AC/DC tribute band “Noise Polution” to the grandstand and the Destruction Derby will take place on Saturday, September 11. Every day we will have free pony rides, train rides, a petting zoo and much more to come! Please check our website for an updated entertainment schedule and details in the coming weeks!
