Below are questions that you may answer. The answers may be used during the show as the emcee announces the class exhibitors and a little bit about you.

How many years have you been attending the Tulelake Butte Valley Fair?

Do your children/grand children currently exhibit at the fair or have they in the past?

Why did you wish to enter this competition?

What are the most memorable experiences at the Tulelake-Butte Valley Fair?

Anything else that you might like to share.
