Commercial Vendor Information

Thank you for your inquiry about a Commercial Vendor Booth. We give first preference to returning vendors, but welcome new opportunities. Any spaces not filled by returning vendors are available to new customers and are issued based upon what is lacking in variety. The fair reserves the right to allocate available space, to select vendors, and to limit the number of similar products in a manner which the management deems is most beneficial to all concerned and to the successful operation of the fair.

We would appreciate additional information on your commercial space to help us get to know your business better. Please fill out the enclosed application and return it to us, along with your product list, references and photographs of your booth and products. This information is important to use when selecting new vendors.

Credit cards (Visa, MasterCard, and American Express) are accepted.

Insurance

The State of California requires proof of commercial general liability insurance with a minimum coverage of \$1,000,000.00 per occurrence. If you do not have your own insurance, you can purchase it through the fair from CFSA, the premium is \$100 per commercial exhibitor. If a contract is deemed hazardous, insurance coverage ranges from \$1,000,000.00 to \$3,000,000.00 depending on the activity. A premium quote is available from CFSA.

Inside Booth Set-up/Configuration

Each inside booth has an 8 foot high back and 3 foot high convention style pipe and drape walls unless there is an open corner or a wall bordering one side of the booth.
