

PROOF/PURCHASE OF INSURANCE

LIABILITY INSURANCE: County, district and state fairs cannot legally carry liability insurance covering junior exhibitors and/or their exhibits. Liability insurance is the responsibility and of the junior exhibitor. The Tulelake-Butte Valley Fair requires all livestock exhibitors carry liability insurance. Liability insurance can be added to a homeowner's policy or can be purchased through the fairgrounds.

INSURANCE COVERAGE: All livestock exhibitors shall provide insurance coverage as required by the fair. The required \$1,000,000.00 liability protection can be obtained from CFSA' Special Events Program through the Fair at \$18.00 per exhibitor for small livestock, (rabbits) and for \$35 per exhibitor for large livestock (horse, beef, sheep, swine, goats), unlimited entries. One policy can be purchased for entire family.
